

Domina Kabinett Trocken

WINE DESCRIPTION:

Franken's most widely grown red wine grape! (Portugieser/Pinot Noir hybrid). Immerse yourself in the rich tapestry of flavors with our Domina Kabinett Trocken, a distinguished red wine from the esteemed Franken Region of Germany. With its deep ruby hue and enticing aromas, this Domina Kabinett Trocken offers a tantalizing glimpse into the essence of Franken's winemaking heritage. On the nose, be captivated by the intense bouquet of dark berries, including luscious black cherry and ripe plum, interwoven with hints of warm spice and subtle earthy undertones. These complex aromatics pave the way for a palate of unparalleled depth and character, as flavors of blackberry and cassis mingle with notes of clove, cinnamon, and a touch of leather, creating a symphony of sensations that unfold with each luxurious sip. Crafted with precision and care, this Domina Kabinett Trocken showcases the perfect balance between fruit expression and structural integrity, with velvety tannins and well-integrated acidity lending elegance and finesse to the wine's profile. Whether enjoyed on its own or paired with hearty dishes such as roasted game meats, savory stews, or aged cheeses, this wine promises to delight the senses and leave a lasting impression on the palate. Embrace the allure of Franken's winemaking tradition and savor the complexities of our Domina Kabinett Trocken, a testament to the region's commitment to excellence and the timeless artistry of crafting fine wines. With each glass, journey deeper into the heart of Franken and discover the extraordinary flavors that await in every bottle. Cheers to the joys of discovery and the pleasures of the palate!

REGION:

The Franken Region is located middle to eastern Germany in the state of Bavaria. The soil, the grapevine variety, the microclimate, and the winegrower's love for their vines, along the River Main and on the slopes of the Steigerwald, there are vineyards as far as the eye can see. All these elements contribute to top quality wines. The Bocksbeutel bottle is almost synonymous with quality wines and wines with special attributes specifically from the Franken Region.

IMPORTS, INC.

Since the 1920's, Paul Schmitt took over his parent's mixed agricultural business and built it into a widely respected winery. Today our family run winery produces exclusively natural, pure, fully fermented wines that are never fortified with any added sugar. You will receive natural, authentic reflections of the respective variety, location and vintage. With this winemaking philosophy, you do get honest and characterful wines that are second to none.
